

Business Europe **5G**

ALL-IN-ONE mobile packages
for professionals in Luxembourg,
in Europe, in USA, in Canada
and much,much more !

deep

deep.eu

BusinessEurope is a range of mobile packages for professionals, including calls, SMS and mobile internet data in Luxembourg, in Europe* and in USA*, and in Canada*, and much more besides!

With BusinessEurope, you can offer your company and staff a simple package, specially designed to meet your needs in Luxembourg, in Europe and in USA, without any hidden charges.

ALL-IN-ONE

- A package with calls, SMS and internet data included

SIMPLE & PRACTICAL

- Up to unlimited (Calls/SMS) for your communications in Luxembourg, in Europe, in USA, in Canada, in China but also unlimited Internet and favourable prices in the rest of the world
- Up to 88GB Internet in the EU, USA and Canada without distinction
- BusinessEurope is compatible with ControlCenter, the secure web application 24/7, to analyse your fleet of mobile devices, consumption and expenses by country and/or by user
- Low latency and internet speeds of up to 1.5 Gbps
- Packages that take advantage of the 5G network at no extra cost
- 5G compatible smartphones available

BILLING

- By the second from the first second and by the kilobyte from the first kilobyte

Simple

In Luxembourg, to and from Europe, USA and Canada, use your allocated calls, SMS and internet data whenever, however and wherever you want.

Flexible

Add customised options to your original package: Blocked Subscription, Phone Option, Garantie+, Around the World, etc.

Transparent

Zero hidden fees; your BusinessEurope mobile package is charged by the second from the first second and by the KB from the first KB for mobile internet use in Luxembourg, in Europe, in the USA and in Canada. Initially binding for 12 months only.

GOOD DEAL

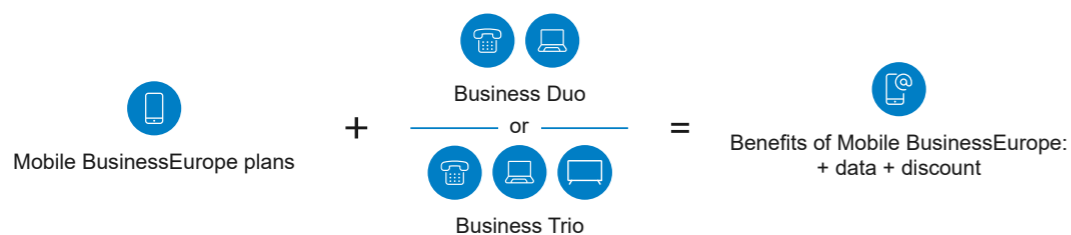

➤ ESIM

€3,42 /ex. VAT/ MONTH	€6,84 /ex. VAT/ MONTH	€8,55 /ex. VAT/ MONTH

> **EXTRA VOLUME**

Enjoy an additional 5 GB (€8,55) or 10 GB (€12,82) of maximum speed internet, nationally, in Europe and in the USA, at any time.

> **4G Calling (VoLTE)**

Make and receive calls in Luxembourg by using 4G network for a very high definition quality, instantaneous call setup. No additional cost to use the 4G Calling option. Calls are deducted from your package or charged at the usual non-standard rate.

> **WiFi Calling**

The solution to make or receive calls where network coverage is poor, like for instance well-insulated building. It couldn't be easier! Make calls using your phonebook as usual. No need to download an app to use the service.
